Dear Sir,

Just a short line to inquire of your well being.

Also, I am sending you a sketch I thought of that possibly you could use, maybe as a book cover. My artistic accomplishments aren't much, but if you'd find a use for the subject matter, I would be more than happy to complete a picture in ink or oils even. This will just be pencil, so if you have any suggestions or corrections that you wish to make, feel free to do so, and I'm hopeful you may be able to use it sometime. Of course, there would no cost to you, so

2/ drop me a line if you'd like a "finished" copy in another medium.

I don't have to many reference Pictures and would do a better job on the final.

I'm going to try to make a trip to New Orleans sometime this spring if possible. I will forward a more exact date to you as soon as possible.

I am still working on notes of my past experience '66-'67, so will forward a copy to you upon completion — I wish I had heeded your advise and kept more complete notes, plus copies of reports, etc., but anyhow my completed effort will be sent you.

Best Wishes to you and your wife,

Jack Huston
